9 January 1968

MEMORANDUM FOR THE RECORD

Morning Meeting of 9 January 1968

ADD/I reported that the preliminary assessment of the BLACK SHIELD missions of 4 and 5 January is available and indicates cloud-free coverage of 75 percent of North Vietnam.

ADD/I proposed and the Director agreed that the manpower study prepared last week for Walt Rostow be given wider distribution.

Godfrey reported that the Soviet panorama paper should be completed during the afternoon.

25X1

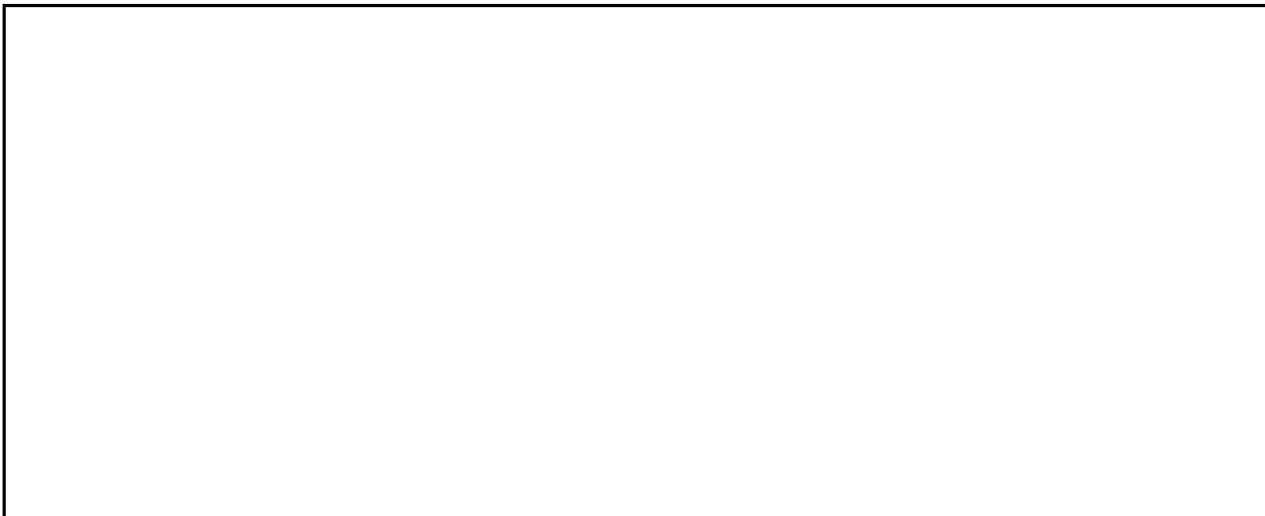

[] drew attention to a possible flap potential in connection with the stationing along the North Korean coast of the U. S. S. Pueblo. (See Action 1)

DD/S reported that the security reindoctrination program has been completed. The program, which reached more than [] employees, will be adapted for new employees and overseas returnees.

25X

DD/S&T reported that a U-2 will fly a coastal mission this evening.

[REDACTED]

The Director urged the Executive Director to begin forthwith massaging the new Director of the Bureau of the Budget.

The Director introduced Dr. Howard Ehrmann, who has assumed the responsibility of reviewing the Agency's historical effort, and exhorted the Executive Committee members to cooperate fully with him.

ACTION:

1. The Director requested that [REDACTED] prepare a background paper on possible problems in connection with the U. S. S. Pueblo.
